HCB Policy & Impartiality Policy

We are **Japan Islamic Trust Halal Certification Body** through our belief in the utmost of importance of principles of Halal Islamic Rules, Impartiality, conflict of interest and confidentiality when undertaking certification activities, We and all employees declare our commitment with the following points :

- Provides certification services in an open, independent and impartial manner to existing and potential new clients. All clients are treated equitably and are expected to achieve same level of performance and conformance to the appropriate standard.
- Make certification decisions based on objective evidence and conformity obtained through a competent audit process in which decisions are not influenced by other interests or by other parties.
- Understands the importance of impartiality when carrying out certification activities, thereby managing any conflict of interest and ensuring the objectivity of its certification activities.
- Commercial, financial or other pressures to compromise impartiality shall not be allowed.
- Not allow to provide Halal Consultancy, QMS or any Management Systems Consultancy.
- Compliance with requirements of Halal standards, UAE s 2055-2:2016 and the applicable requirements of ISO 17021:2015, 17065:2012, legal requirements and Shariah Principle
- Achieve our objective and policies

The Executive Management, employees, outsourced external auditors, Islamic Technical Affairs Experts and technical experts undertaking certification activities for JIT HCB are required to declare and comply with the impartiality requirements at all times.

Reviewed and signed on behalf of the Management of JIT Halal Certification Body.
